Dear Ms. Hannan:

Bucshon for Congress (FEC ID# C00468256) is in receipt of your Request for Additional Information dated December 21, 2010, in which you reference the reporting of a 48-hour notice receipt in the amount of \$ 2,400 dated 10/28/10 from Steel Warehouse, LLC.

The Bucshon campaign was notified by the Hoosier Young Guns Victory Committee that this donor was included in the transfer amount of \$ 5,162.03 received by the campaign on 10/28/10. The campaign then appropriately included both the transfer of \$ 5,162.03 and the memo amount of \$ 2,400 on a Form 6 48-hour notice timely filed on 10/29/10.

The campaign was subsequently notified by the Hoosier Young Guns Victory Committee that it had refunded the \$ 2,400 to Steel Warehouse, LLC, and that the joint committee would be deducting this \$ 2,400 amount from the final transfer of net proceeds to the campaign. Hoosier Young Guns Victory Committee reported this refund with a date of 10/29/10 on its 2010 post-general FEC report.

Therefore, since Bucshon for Congress did not actually receive money from Steel Warehouse, LLC, the campaign did not include this donor as a memo entry on the 2010 post-general report.

Sincerely:

John L. Wright, Treasurer
Bucshon for Congress
